

Philadelphia Section PGA Birdies for Golf Buddies

This new program is another way we can help the children of Variety through the game we love to play. It is a simple program, any of our PGA Professionals or apprentices can sign up. What you need to do is fill out the form below and send it in to the Section office. First mark down your pledge per birdie (\$1, \$5, \$10) whatever the amount you feel you would like to commit to. Then during any official Section or PAO event we will track your birdies through BlueGolf and at the end of the season you can cut a check for the total amount straight to Variety-The Children's Charity as a donation. To help you figure out the amount you would like to donate you can click [here](#) to see the number of birdies made last year.

We will show our birdie leaders and track our total donation to Variety throughout the season. Be one of the first to sign up and help our charity!
