

Philadelphia Section PGA Club Association 2010 REGISTRATION FORM

The Philadelphia PGA will be continuing our Club Association Program into the 2010 season. The Club Association creates a unique partnership between the Section and the facilities within our boundaries. The Club Association allows your facility the opportunity to contribute to the growth of the game through the Greater Philadelphia Junior Golf Foundation.

The Foundation was established to provide assistance to junior golfers and programs that help enhance the lives of our youth and encourage participation in the game of golf. Your contribution will also help to elevate the experience for over 500 members of the Philadelphia Junior Tour. The Tour manages approximately 60 events throughout the season for juniors from ages 6-18.

Below are some of the professional services and programs offered and managed by the Philadelphia PGA. We hope you agree that these services and programs are deserving of your support. It will be the combined generosity of our facilities that will help to grow the game and enhance the lives of our young players.

The fee for the Club Association for the 2010 season is \$200.
