The Philadelphia Section Junior Tour began its 2010 campaign with events held on weekends throughout April and May. However, the full Junior Tour schedule does not begin until June 14<sup>th</sup>. Once again Junior Tour director, Brian Schulte, has put together a tremendous schedule for Philadelphia Section juniors. Boys and girls ages 10 – 18 will have over 70 opportunities to tee it up against fellow junior golfers. The Philadelphia Section Junior Tour offers various levels for juniors to compete and learn. Included within the Junior Tour are the Girls Golf Tour, a girl's only division, and the Developmental Tour, an instructional division for boys and girls ages 6-9. The Junior Tour would like to thank the Graham Company who has once again signed on as the title sponsor of the Junior Tour.
