PLAY GOLF AMERICA DAY AT WOODS GOLF CENTER

For the third straight year the Philadelphia Section PGA held their Play Golf America Day at Wood's Golf Center in Norristown, PA. The event was held Saturday, May 9th from 9:00 - 3:00 PM.

More than twenty PGA professionals were on hand to provide everyone in attendance with free fifteen minute golf lessons. Golfers of all ages were able to work with the professionals to hone their skills before the start of the summer season. Host professional Don DeAngelis even implemented a video system for anyone who was interested.

Guests were also able to demo the latest in golf equipment from vendors such as Adams Golf, Cleveland / Srixon, Cobra, Ping Golf, Tour Edge, and Wilson Golf. Additionally, U.S. Kids Golf was onsite to allow junior golfers to test the newest golf equipment from one of the leading junior golf manufacturers.

The highlight of the day was the performance of Kevin Compare and his in "Compare" able trick shot show. Compare impressed the audience with a variety of shots including over sized drivers and tees as well as hitting shots from many unorthodox stances. He finished his show by hitting a dozen consecutive shots from moving tees. The show definitely left an impression on the crowd.

The Philadelphia Junior Tour also ran a Kick-Off Day at Wood's Golf Center. Close to one hundred junior golfers participated in a variety of games to earn points and prizes. The Kick-Off Day is the unofficial start to the Junior Tour season.

The Philadelphia Section will be holding two more Play Golf America Days on Saturday, May 30th and Saturday, September 12th respectively at Seaview Resort & Spa in Galloway, NJ. For more information please visit, www.phillypga.com.
