

Section 5.07 Withdraws

A contestant may withdraw from a tournament at any time. However, in order to receive a refund of an entry fee, a contestant must submit a withdrawal form no later than the event withdrawal deadline (i.e. seven (7) days prior to the tournament, or the date designated on the official entry). Contestants withdrawing after the deadline shall forfeit their entry fees for that event but not any mandatory facility fees that have been added to the entry (i.e., cart, range and/or food & beverage). Mandatory facility fees will be refunded to those professionals who have officially withdrawn from the tournament in question by notifying the Section office or the Philadelphia Section PGA Tournament Director. An exception to this policy would include a death of a contestant member's immediate family (including children and stepchildren, parents or stepparents, spouse, or any siblings) when a full refund will be issued. Contestants who withdraw from an event must comply with Section 9.03.m of the Philadelphia Section PGA Tournament Rules & Regulations.

Note: If a Tournament deadline is extended the Withdrawal deadline will remain 7 days prior to the event, even if the deadline is moved to within the 7 day deadline.
