

New! App Directory for PGA Sections

The new App "Directory" enables PGA Members to connect with colleagues in just a few taps.

Search for members by **Last name** or **Facility name**. Search results include a "Card" for each Member with contact info and 1-tap access to call or email.

Search by Member Name

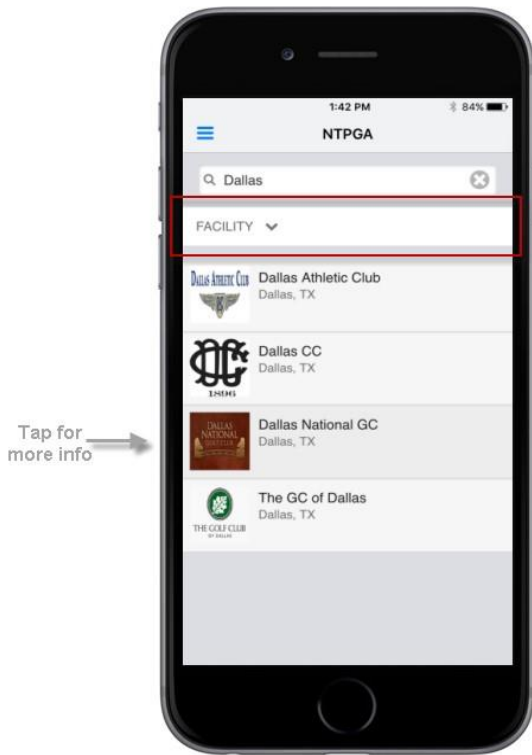

- The Directory homescreen includes a Search box at the top. Simply enter all or part of a last name.
- Search results show all members that match. Note that results include a photo, affiliated facility and classification.

- The member's card includes phone number(s) and email address. Tap phone # to call the member. Tap email address to compose an email to the member.

Tap to contact

Search by Facility Name

- The dropdown below the search box enables you to switch to a Search by Facility. Choose Facility in the dropdown and enter part or all of a facility name in the search box.

- Tap a facility name in the search results to view the Facility and a card for each Member at the Facility.
- Swipe down to view all Members at the Facility. A-1's are listed first.
