

GOLF MARATHON

100 HOLES / 1 DAY

GOAL: \$50,000

MONDAY, AUGUST 20TH

The Philadelphia PGA is holding a 1 Day, 100 HOLE MARATHON to raise money for great causes. PGA Professionals will play 100 holes of golf on Monday, August 20th at their local club to show their support for our PGA Reach Philadelphia Foundation. Participating Professionals will solicit donations from their members, customers, family or friends to help us reach our overall GOAL of \$50,000!

The money raised will go to the PGA Reach Philadelphia Foundation to help fund programs and initiatives that support junior golf, military veterans, and diversity and inclusion. Specific programs include Golf in Schools', PGA HOPE, and PGA Junior League funding for kids in need of financial assistance.
