SUPPORT PGA REACH PHILADELPHIA 100-HOLE GOLF MARATHON

OCTOBER is PGA REACH Philadelphia **MONTH OF GIVING** and we are looking for Philadelphia Section Members and Associates to help the cause by participating in our Golf Marathon. PGA Professionals can choose to play 100 holes of golf on any one day during the month of October at their local club to help support programming for Youth, Military and Diversity. Participating Professionals will solicit donations from their members, customers, family or friends to help us reach our overall GOAL of \$25,000!

The money raised will help fund specific programs including Golf in Schools, PGA HOPE, and PGA Jr. League funding for kids in need of financial assistance.
