

Article VIII. RULES & PROCEDURES

Section 8.04 Size of Tournament Field

- a) The Tournament Director reserves the right to alter tee time and/or pairing configurations if it is in the best interest of the event to do so.

- b) It is the intent of the Tournament Committee to accommodate every player who enters an event by the entry deadline (in events where the field size is not limited). Such a contingency plan will allow the Tournament Committee to accommodate more players without sacrificing the integrity of the event.

- c) Unless the committee deems otherwise, in tee time events where there is a need for a playoff to determine the winner the following guidelines will be followed to set available tee times:
 - a. The first time of the day will be decided upon due to course preparation needs.
 - b. The last tee time of the day will be set no later than 5 hours and 30 minutes prior to the expected time of sunset.
