About PGA HOPE Philadelphia

PGA HOPE (Helping Our Patriots Everywhere) Philadelphia is the flagship military program of PGA REACH Philadelphia, the charitable foundation of the Philadelphia PGA Section. PGA HOPE introduces golf to veterans and active duty military to enhance their physical, mental, social and emotional well-being. The program introduces the game of golf through a developmental six-to-eight week curriculum, led by PGA Professionals trained in adaptive golf and military cultural competency. All programs are funded by PGA REACH Philadelphia, so the cost of programming is free to all veterans. PGA REACH Philadelphia has been able to impact over 500 veterans lives through the PGA HOPE program at our nine program chapter locations.

About the PGA HOPE Philadelphia Cup

The first annual PGA HOPE Philadelphia Cup will bring together PGA HOPE Philadelphia alumni from across three states (Pennsylvania, New Jersey, and Delaware) to compete against each other in a friendly tournament. The champions will be invited to compete nationally at the PGA of America's Secretary's Cup, which brings together 12 PGA HOPE alumni teams from across the nation to compete in conjunction with the PGA Championship each year.
