Central Counties Chapter President's Report

Dear PGA of America Golf Professionals,

It has been an honor to serve as the Central Counties Chapter president these last two years. As I finish up my presidency, I am happy to say that we have the Chapter in very good financial shape. The Chapter is making money each year, including this one. We have not needed to dip into our restricted fund to cover Chapter expenses over the last two years. We have our restricted fund balance at a point to cover all Chapter expenses for two years in the event of a serious downturn such as COVID. We have continued to improve the tournament offerings for Chapter members and have worked with Trinity Golf for a separate prize pool for those who use their services for their member golf trips. We have created a Super Senior playing category for all Chapter events, which has helped with participation of all our pro-ams. This hard work in keeping the Chapter financially sound would not have been possible with the buy-in from the entire Chapter Board of Directors and their commitment to make the Chapter better. I wish Jason Gebhart and the rest of the board all of the best and continued success for years to come.

Respectfully submitted,

Jeffrey T. Breiner, PGA
Central Counties Chapter President

Central Counties Chapter Vice President's Report

The Chapter continues to work hand and hand with the Section office to administer Central Counties' Tournaments and meetings. The day-to-day Chapter operations are very efficient. The use of the Section staff and facilities has saved the Chapter operating costs.

Thank you to the entire Section staff, especially Nardimar for handling the financials and Luke for coordinating tournaments.

The balance in the Central Counties Chapter Haverford portfolio was \$33,242 as of 9/30/26.

It is a pleasure to serve as your Vice President for the Central Counties Chapter. Thank you for the opportunity to serve. Please feel free to contact me with any questions regarding the Chapter's finances.

Respectfully Submitted,

Jason Gebhart, PGA
Central Counties Chapter Vice President

Central Counties Chapter Tournament Report

Another year in the books. For 2026 the Chapter had 12 pro-ams plus the Spring and Fall Membership Meetings, Chapter Championship, Points Championship and two individual events run concurrently with Section events. I would like to thank all the PGA of America Golf Professionals who were able to host a pro-am event this year. It's not easy hosting events, but I'd like to encourage all of you to consider hosting a Chapter event in the future. We certainly want to thank all our pro-am hosts this season as well as our special event hosts and their staff. We can't thank them enough for opening their doors to the Chapter and being such gracious hosts!

This was the first season for the new Super Senior Division. Personally, I think it was very successful.

The POY bonus pools payout the top six on the Chapter points list, top three on the Senior points list, and the top Super Senior. Congratulations to 2026 Central Counties Chapter Player of the Year Brian Bergstol, Senior Player of the Year Jason Wilson, and Super Senior Player of the Year Jack Brennan.. The Srixon staff bonus went to Jeff Fick.

Along with the POY bonus pool, \$500 was added to three pro-ams. These were considered "elevated" events and 1.5x points were awarded for these events. We need to thank Josh Grundon and Srixon for their gracious sponsorship. The total sponsorship was \$7,000!

I'd like to thank the Section staff for their support; much appreciated!

Lastly, thank you to all of you for your support over my four years as director of tournaments. My goal was to elevate our tournament program, and I hope I succeeded for everyone. It was an honor to serve for you.

I hope everyone has a great off-season!

Respectfully submitted,

Jeff Fick, PGA
Central Counties Chapter Director of Tournaments
